To: Parents and Guardians of
Northwest Campus Students

Subject: New Campus

I hope everyone is having a great summer and relaxing in the warm South Texas Sun. Last school year was a busy one for the entire Southwest Preparatory Charter School District family. We were learning new things, making new friends and anticipating the opening of the new Northwest Campus. The time is nearing when we will be moving to the new Northwest Campus, which is located at 6535 Culebra Rd., San Antonio, Texas 78238. (This is at the intersection of Culebra Rd. and Alamo Downs Street.) Our telephone numbers will remain the same as they are now.

We will physically be at the 4550 NW Loop 410 address through August 18 and possibly until as late as August 22. Our new campus will be beautiful, but the construction crews will need all of the time available to complete the building by the opening of school on August 25. Unfortunately, we will not be able to provide tours of the campus until after the opening of school. Again, you will be able to continue to reach us by telephone at 432-2634.

Registration packets will be available at our current location on August 1. We will begin accepting applications on August 6. Applications must be completed, in full, with documentation as requested. After receiving the packets, we will begin the orientation process for our new students. The registrars will schedule times after receiving complete registration packets. I am looking forward to meeting with you as you enroll your children for next school year.

We will have several new staff members next year and I know you will enjoy meeting them, as I did. They, like all of our returning staff, are excited about school and look forward to working with you and your children so they will be successful in their future endeavors.

Should you have any questions between now and the beginning of school please feel free to call me. I will make every effort to return your calls as soon as possible.

Sincerely,

Joe Inman
